

15th Annual South Florida GIS Expo

Palm Beach County Convention Center
650 Okeechobee Boulevard
West Palm Beach, Florida 33401

Mark your calendar to attend the always FREE, 15th Annual South Florida GIS Expo to be held October 2 & 3, 2008 at the Palm Beach County Convention Center in West Palm Beach, Florida. **FREE Attendance - Register at:** www.gisexpo.org

Attendees

Geographic Information Systems (GIS) is a horizontal technology that intersects all industries. It blends the geographic sciences with information technology. This conference is for the novice to the analyst, the technologist to the executive. Disciplines of interest include:

- Regional, municipal and county government agencies
- Environmental resources
- Water management organizations
- Utility organizations
- Engineering - Surveying
- Land management
- Information technology
- Law enforcement
- Emergency management

Conference Objectives

The objectives of this synergistic public/private partnership are:

- To provide education on aspects of GIS
- Information on emerging GIS technologies
- Be a vehicle for professional networking

Conference Overview

Our Thursday keynote speaker will be David J. Pollay, syndicated columnist and President of The Momentum Project. Mr. Pollay is a columnist, creator and host of "The Happiness Answer™" television program, and an international speaker and seminar leader. He is also the author of "Beware of Garbage Trucks™ - The Law of the Garbage Truck™." Previously with Yahoo! Pollay built Yahoo's first international customer care division. Mr. Pollay is president of The Momentum Project, a strengths-based leadership training and consulting organization with offices in Delray Beach, FL and Washington, D.C. His organization focuses on applying the Science of Positive Psychology to business, government, education, and non-profit organizations.

Call for Abstracts – Send it Today!

If you are interested in participating in this well known and well attended event, please submit your abstract as soon as possible to Patrick Lockwitz 954.480.4210 phone, 954.422.5816 fax, or via email: plockwitz@deerfield-beach.com

Poster Session – Show Us Your Work –

Share the impact of the interesting work you've done with other GIS professionals. Awards will be given as outlined on the Expo website.

Partnership Opportunities

Organizations are invited to partner with government in hosting the Expo as an Exhibitor Sponsor. This conference serves the entire southeast region with 500-700 attendees each year. Details are as follows:

Exhibitor Sponsor - \$800

- 8' X 10' exhibit space
- 110 volt electrical outlet
- Listed on GIS Expo Website
- Conference mailing list

For additional sponsorship options or information, contact Kelly Ratchinsky, at 561.681.3958 or via email: kratchin@pbcgov.com

Help With Publicity
